Budget Estimates of the Shikarpur Town Municipality

8 20/Bud

U O No 1530 C S / dated 12th/13 July 1951.

10) The budget estimates of the Shikarpur Town Municipality for the year 51-52 as recommended by the Deputy Commissioner may be approved

11) In Statement D showing the demand, collection and balance under Municipal Rates and Taxes, the opening balances under the several heads of revenue as per the revised estimate for 50-51 do not agree with the closing balances as per the accounts of 49-50 Consequently the closing balances of the several heads of revenue for the year 50-51 which will be the opening balances for 51-52, get altered The entire statement requires to be corrected But as the discrepancies in the balances may not affect considerably the budgetary position for the year 51-52, no alterations are recommended It has however to be impressed upon the Municipal Authorities, that more attention should be bestowed on the preparation of this statement, which forms the basis for the budget estimates

12) The total of the receipts side in accordance with the calculations of this office will be - Rs 81,325/- and not Rs 97,835/- as furnished by the President

13) With this correction and after incorporating the modifications suggested by the Deputy Commissioner, Shimoga, the budgetary position for approval of Government will be as follows -

Opening balance	Rs 33,900
Receipts for 51-52	Rs 76,925
Total	1,10,825
Expenditure	90,027
